मैं कुछ समय पहले अपने रेडियो के माध्यम को अपना करियर बनाने हेतु बहुत से कॉलेज से बात कर रही थी। टेक वन स्कूल ऑफ मास कम्युनिकेशन उसमे से एक था। पर जब मैं यहां के छात्रों, शिक्षकों और एक्सपर्ट से मिली तो 20 साल पुराने इस कॉलेज में आने का मन बना लिया। एंट्रेंस टेस्ट में अच्छा प्रदर्शन किया और यहां से मेरी मीडिया यात्रा शुरू हुई। कदम कदम पर सीखने को बहुत मिला और आपसी सहयोग से अभी तक सब आसान है। उम्मीद है कि अपने प्रयास और सबके मार्ग दर्शन से मैं अपनी मंजिल पा जाऊंगी।

I have joined Take One School of Mass Communication in July 2021 to pursue the course of bachelor's of journalism and mass communication. The institute is working really very hard to avail the facility of learning that too from well known TV and news channel personalities during the pandemic. Also, my experience after joining the institute is being great and very knowledgeable. I am really happy to be a part of the institute.

This college and staff humbly addresses student's concern which is a peculiar feature..really appreciable not seen in usual colleges. Moreover, practical knowledge and workshops are facilitated more than theoretical teaching which is beneficial for skill enhancement.

I recall my start of choosing a mass communication college long back and finding Take One School of Mass Communication Delhi during the process.

My queries were answered , one of my family member visited on my behalf and liked there career focussed education. .it had all what was needed.

So after getting the hostel and other support, I gave my entrance and grabbed a seat. I joined here and worked each day to take steps towards my success and now I have created a platform where we publish our own news, reports, interviews and shoots.

Our infrastructure is available for us to practice and shoot.

We can stay and work in the studio after our classes and we are guided by our mentors .. The overall experience is great and I am sure to reach my destination.

Take One School of Mass Communication, for me is a small knit family that i have after leaving my home town.

Moving away from home, shifting to hostel to create my own identity was very much needed to make my media career goal a success.

Its been a quarter now and I am making the most of it..the students from across India are here so I find a diverse environment. Everyone is united by the vision of Media career.

We learn daily, practice our skills daily..apart from University academic knowledge, we participate in theatre, learn via practical sessions, workshops etc.

That matters the most during mass communication studies. I am working towards my goals daily to make it come true.
